## *The Six True Colors*

This specifically sequential and extremely POWERFUL color arrangement is thought to transfer health and longevity to all who choose to meditate upon it. When these SIX TRUE COLORS are used along with a positive healing intention, it is believed that miraculous and spontaneous healing can occur, even from the most insidious of diseases. Place these coordinated colors at some vantage point and spend at least twenty minutes per day allowing these colors to project powerful spiritual and healing vibrations throughout all the cells of your body. A new and HEALTHY day has now dawned for you!
