The Dragon Tortoise

A wonderful and well-kept secret for ages, this symbol sends riches, success and wealth to all who display it. This symbol of the Dragon Tortoise suggests a life filled with great prosperity and abundance. The base of gold ingots upon which this creature sits signifies increased wealth and new money found. The coin in it's mouth announces increased income arriving soon and the baby tortoise is said to bring great good fortune and future luck for YOU and all of your descendants. Place this icon in either the back left-hand corner of the main floor of your house, or, in the same location (farthest back left corner from the entryway) of your bedroom or office. The best intention wins thi\$ race.
